IT'S MAY DAY

I love the first day of May. It's May Day, and we have so much fun at our school every year. First, we have a program about May Day in the gym. Then, we dance the Maypole Dance. The ribbons on the Maypole are all very pretty colors. Everyone claps for the Maypole dancers. Next, we eat a picnic lunch outside with our class. We bring snacks to share with each other. In the afternoon, we play games outside with the other classes. Some of our parents come to school and play games with us. May Day is a fun day and summer will be here soon.
